Late Submissions and Learn

Below is the view the student sees once they have submitted late. The date and time stamp is highlighted by colour.

Below is the location in the module menu showing the ‘Needs Marking’ view
Below is the ‘Needs Marking’ view, this flags late submissions with a text box.

Below shows the ‘Grade Details’ view, which also shows the flag as text.

Below shows the marking/grading screen where lecturers annotate comments, upload additional feedback and add the mark/grade. This flags the time/date stamp as late with additional colour highlighting.
